

New Kinpo Group Green Product Policy

New Kinpo Group(NKG) strives to be one of the best companies with commitment to environment protection through our efforts and achievements in product developments, manufacturing and services recognized by NKG's stakeholders, employees, customers, suppliers and the public.

Our missions for the commitment:

- Compliance to International Legislations
- Fulfillment for Customer Requirements
- Implementation of Green Product Design Principles
- Continuous Improvement in the Green Product Management System

New Kinpo Group ensures that the products we deliver to the market are safe and no-harm to both human and environment.

Simon Shen
CEO
